KARNAVATI
INTERNATIONAL SCHOOL - CBSE

KNOWLEDGE • KINDNESS • KNACK

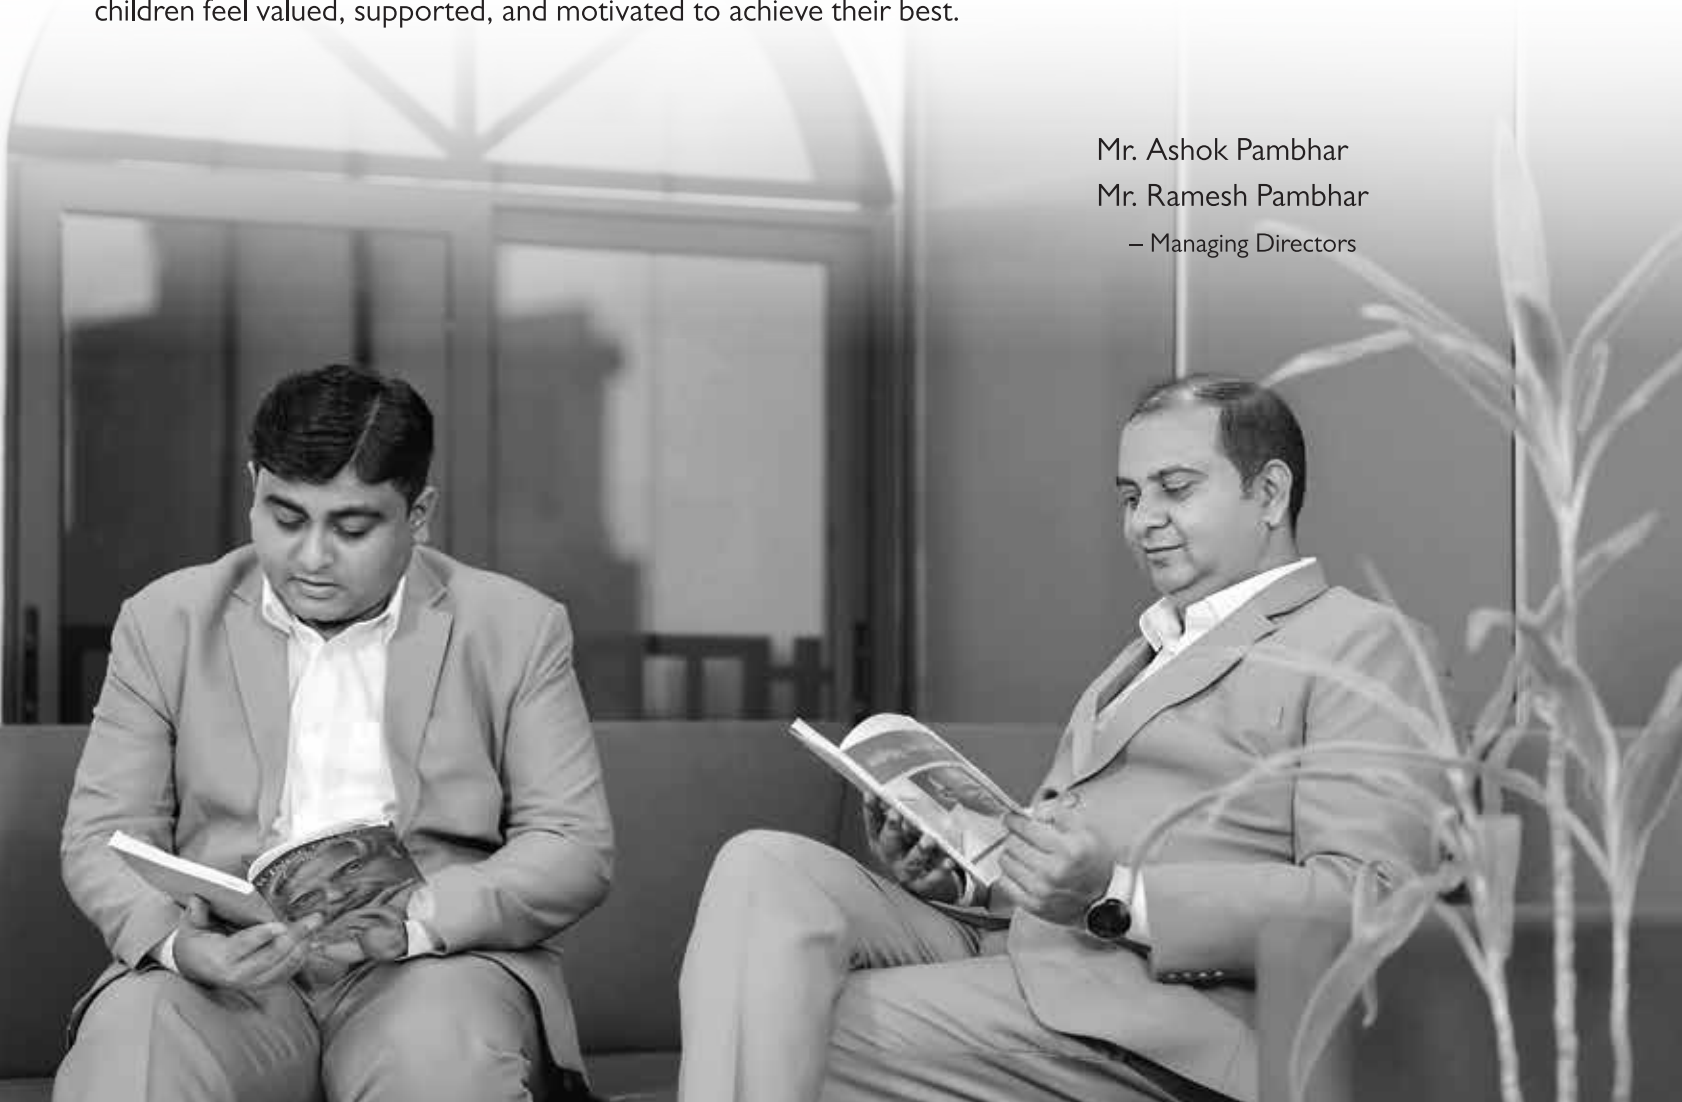

From Director's Desk ...

"Education is not the learning of facts,
but the training of the mind to think."

– Albert Einstein

At Karnavati International CBSE School, our vision is simple yet profound - to nurture curious minds, build strong characters, and prepare children for life beyond classrooms. With dedicated teachers, modern facilities, and a values-driven approach, we strive to create a safe and inspiring space where children feel valued, supported, and motivated to achieve their best.

– Managing Directors

Our Objective

"Imagine a place where your child isn't just a student but a cherished individual, where learning is not just a task but an adventure."

At KIS, we create this unique environment, guiding the children through a holistic learning experience that emphasizes on Excellence, Diversity, Growth, and Empathy (EDGE).

KIS believes that, "Every student should walk out of the school gate not just with knowledge, but with confidence, empathy, and a spirit of excellence."

'KARNAVATI' - Each letter in the name of our school reflects nine very important values and abilities we wish to inculcate in all the KARNAVATIANS - (The students of Karnavati International School) to lead a positive and fulfilling life.
